

# Public Health Student Caucus (PHSC) Diversity Committee Student Survey 2004

1. Before today, have you heard of the Public Health Student Caucus (PHSC) Diversity Committee? (**Bold all that apply**)

- a. Yes, through the APHA or PHSC website
- b. Yes, through a friend or faculty member
- c. Yes, but I am *not* involved
- d. Yes, and I am involved
- e. No, and I would like more information
- f. No, and I would like to be involved
- g. No, and I am not interested in learning more

2. What would be the **BEST** way to increase the visibility of the PHSC Diversity Committee? (**Bold one**)

- a. Post information on the APHA website
- b. Post information in the ASPH Friday letter
- c. Post information on the ASPH website
- d. Send information to SPH faculty members
- e. Post a PHSC website link on current SPH student organization websites
- f. Nothing, you are doing great
- g. Other \_\_\_\_\_

3. What are some ways to increase the diversity of the PHSC members? (**Bold all that apply**)

- a. Publicize at more HBCUs, HSIs and TCUs\*
- b. Recruit from a wider range of degree programs
- c. Promote PHSC through other professional organizations and associations
- d. Offer PHSC programs or initiatives that truly incorporate and celebrate diversity
- e. Other \_\_\_\_\_

\*Historically Black Colleges/Universities, Hispanic Serving Institutions and Tribal Colleges/Universities

4. In thinking about diversity in our organization (or "in APHA" or "in PHSC" or "in APHA and PHSC"), which of the following would you most like to see addressed (or "emphasized?")? (**Bold all that apply**) Diversity in:

- a. Ethnicity
- b. Class
- c. Gender
- d. Sexuality
- e. Disability
- f. Age
- g. Culture

**For current PHSC members (Bold all that apply)**

- Current PHSC printed material and website information is culturally relevant and appropriate
- The other PHSC committees have incorporated diversity in their efforts
- I would be interested in participating on the Diversity Committee
